

The treatment of many thousands of cases of these chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Hospital, Buffalo, N. Y., has attracted a vast experience in the study and thorough testing remedies for the cure of women's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and chronic cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for women's peculiar ailments.

As a powerful, invigorating tonic it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing, cordial and restorative tonic.

As a soothing and strengthening nerve tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to women's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred ailments, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensation, chronic congestion, inflammation and ulceration of the womb, inflammation of the ovaries and tubes, accompanied by "internal heat."

As a regulator and promoter of functional action, at last critical period of life, from childhood to womanhood, "Favorite Prescription" is a perfectly safe remedy, producing only good results. It cures those disorders and derangements which later and most critical periods, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood poisons, and abolishes cancerous and scrofulous tumors from the system.

"Favorite Prescription" is the only medicine for women sold by druggists, under a positive guarantee from the manufacturers, and it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the wrapper, and faithfully carried out for years.

Large Bottles (100 doses) \$1.00, or Six bottles for \$5.00.  
For large, illustrated Treatise on Diseases of Women (160 pages, paper-covered), send ten cents in stamps. Address:
